

**10/590231**

Attorney Docket No. 2003P19424WOUS

**.AP9 Rec'd PCT/PTO 22 AUG 2006**  
**ABSTRACT**

An automation system and a method for identifying and correcting connection errors of field devices that are connected to an automation system are provided. A connecting unit is used to optionally connect field device connections of an automation system with connections of a feed or measuring component of the automation system.
